Gentlemen:

Re: NPDES PERMIT NO. NJ002429
Millington, NJ Plant

Pursuant to the compliance schedule for the subject plant,
enclosed herewith is drawing No. MIL 103-1 which has been
submitted to our Management for approval along with a request
for the necessary funds.

These plans are to be used in conjunction with our previously
submitted engineering report.

If you have any questions, please contact this office.

Sincerely yours,

W.A.S.

W. A. Schmidt
Chief Engineer - Environmental
